You will have to take the 10:00 AM Ferry boat from Playa del Carmen

Velio will meet you at the ferry pier under the swallow birds statue, so look for a man with a sign with your name wearing a **yellow cap**.

Payment is due in cash (USD Dollars, Euros or Pesos) at the end of your tour, Velio accepts cash only as he has no way of verifying a credit card

REMINDER:

There is a USD \$107.00, 3 hour minimum charge for the tour + USD \$25.00 per each additional hour for the Tour... We received by PayPal the amount of USD \$62.00 as an advance deposit and will be deducted from the balance at the end of the tour

Thanks... Velio and Eduardo / My Cell in Cozumel 987-119-6398

IMPORTANT

For our tour services, we request a permit for your pick up at the pier from the Taxi union authority, so we cannot allow any more people in the vehicle than the ones the tour was reserved for (even if there's room in the vehicle for more). We cannot add more people in the vehicle without previous 48 hrs approval, as it is very possible that taxi union delegate at the pier will not allow them to board the vehicle for the tour.

We can refund the deposit in full with a written request by email, with at least two week notice. Within two weeks - 48 hours, a 50% refund will be given. All refunds will be effective 7 days after request. No refunds will be given if you cancel within 48 hours or for no-shows. Full refunds will be given in the event that your cruise ship does not make port.
