**IMPORTANT**

For our tour services, we request a permit for your pick up at the pier from the Taxi union authority, so we cannot allow any more people in the vehicle than the ones the tour was reserved for (even if there's room in the vehicle for more). We cannot add more people in the vehicle without previous 48 hrs approval, as it is very possible that taxi union delegate at the pier will not allow them to board the vehicle for the tour.

We can refund the deposit in full with a written request by email, with at least two week notice. Within two weeks - 48 hours, a 50% refund will be given. All refunds will be effective 7 days after request. No refunds will be given if you cancel within 48 hours or for no-shows. Full refunds will be given in the event that your cruise ship does not make port.
